PUCK.

Ref: A02251 YELLOW LIQUID WAX 5L PUCK

The yellow wax is intended for application on floors and more particularly on floors and wooden floors.

Thanks to its formula with added nourishing beeswax, it beautifies the wood and brings a bright and lasting shine.

Formulated with beeswax, carnauba wax, and crystalline wax.

Thanks to its antistatic and water repellent properties, the wax creates a dust-proof, stain and water-resistant protective film. The treated surfaces stay clean longer.

INSTRUCTIONS FOR USE

Apply on a clean, dry surface.

Spread a layer of wax with a cotton cloth or broom applicator.

Allow to dry, then polish with a wool or cotton cloth fixed on a broom.

In maintenance, polish with a wool or cotton cloth fixed on a broom to restore gloss.

Periodically, carry out this operation by instilling a few drops in order to bring protection and brightness to the wood.

Efficiency : between 8 and 16g per m².

5L allow to treat 250 to 500m²:

A first layer of 125 to 250m²

A second layer of 125 to 250m²

Ask for our usage protocols available on request.
