

Ref.: A11287 QUICK STAINLESS STEEL POLISH U2 500 ML

Cleans and leaves a protective layer on stainless steel surfaces.

- ✓ Discreet fragrance
- ✓ Silicone free

APPLICATION

The QUICK STAINLESS STEEL protective layer restores luster, removes stains, dust and other splatters.

Removes water marks and limestone, preventing their reappearance.

Can be used on stainless steel, high-gloss chrome and satin finishes. Ideal for lifts, porticoes etc.

RECOMMENDED FOR

- Cleaning companies
- Retirement homes, hospitals
- Schools
- Industries
- Offices

INSTRUCTIONS FOR USE

Shake before use.

Spray 20 cm from the surface to be treated, or directly on a cloth for small surfaces.

Wipe with a soft, dry, lint-free cloth in the direction of the polishing of the metal.

Advice: take another dry cloth and wipe it again to polish and remove any excess.
