

ANTI-GRAFFITI REMEDICATION

Ref. A25355 - 5 L

QUICK TECH

CLEANING AND STRIPPING

Removes graffiti from any smooth or porous surface.

- Quick results: under 15 min!
- Chlorinated solvent free
- Specially designed for smooth and porous surfaces

APPLICATION

Apply on smooth or porous surfaces such as walls, outdoor frontages, and unpainted metals.

The anti-graffiti product is a blend of high-performance solvents for quickly stripping and erasing graffiti-covered surfaces.

Contains no chlorinated solvents. Contains plant-based solvents.

Specifications:

- Base: Solvent
- Coverage: 1 L covers 6 to 9 m² depending on surface condition, application method, and type of marking.

INSTRUCTIONS

Shake well before use: The product may separate during long-term storage – this will not impact its effectiveness.

Apply an even coat over the whole surface with a brush or using a sprayer at a distance of 15 cm from the surface.

Let sit between 5 and 15 minutes depending on the surface. Scrub using a brush or cloth, depending on the surface and graffiti persistence. Finally, pressure clean with hot water or scrub using soapy water.

You may need to apply the product a second time.

To be safe, make sure to do a preliminary test on a discreet spot before applying to the entire area. Do not apply on rubber without testing first. Do not use on heated surfaces or in the sun.

REGULATIONS

FOR PROFESSIONAL USE ONLY.
Hazardous. Follow precautions for use.

*Refer to the safety data sheet (SDS), available upon request.
Our data sheets are prepared with current knowledge and are subject to modifications.
Photo non-binding. 01/01/2024 Index 1.0*
